

## Support **AIPPC** on Nov 29 National Giving Day

**T**HE ART IN PUBLIC PLACES COMMISSION is dedicated to the principle that art is essential to our quality of life. In its many faces—visual, performing, crafts—art expression engages us, inspires our imagination, and touches our soul. The AIPPC works with Annapolis artists to share their unique talents in public venues.

The murals that enliven the walls of public buildings, “Shoals” in Westgate Circle, summer concerts, and Tango performances at the Dock are just a few of the ways AIPPC serves our community.

On the horizon are sculptures in the parks, art history trails melding the past with the future, showcases for musicians, classic movies in the gardens, and more.

To ensure our place on the state and national cultural stage, we need financial contributions to sponsor programs and help Maryland’s Capital shine in the arts.

A contribution to Art in Public Places Commission will help support the arts in Annapolis. Donations maybe made to AIPPC through PayPal at the non-profit Annapolis Community Foundation website: [www.annapoliscommunityfoundation.org](http://www.annapoliscommunityfoundation.org). Checks maybe mailed to AIPPC at ACF PO Box 5736, Annapolis MD.
